Sir:

1)

Please find herewith a "Certificate of Correction" to be attached to my U.S. Patent 6,563,415.

2)

(a) The errors were by the PTO and thus no fee from the Patentee is due.

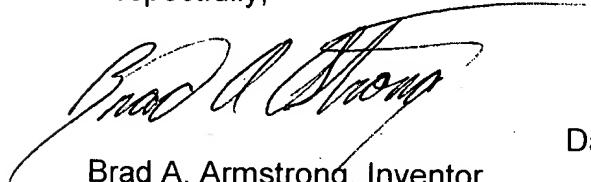

(b) In a Preliminary Amendment Paper from Applicant (now Patentee) to Examiner Karl Easthom during prosecution of the Application, the Preliminary Amendment Paper signed and dated Jan. 8, 2002, Applicant requested on pages 2 and 3 thereof that the 35 U.S.C. 120 Priority claim wording be corrected by way of amendment. The Patent issued without the requested amendment / correction to the Priority claim, thus the Patent issued with erroneous Priority claim wording on the Front Page in section "(60)" "Related U.S. Application Data" of the Patent and also in column 1 under "CROSS-REFERENCE TO RELATED APPLICATION(S)". In the Office Action Date Mailed 05/03/2002, Examiner Easthom states in "Status" Box 1 that the Office Action is "Responsive to communication(s) filed on Jan. 8, 2002", therefore receipt of the amendment / correction request is acknowledged by the Patent Office.

Should there be any problems or questions regarding this correction, please write me at my above address or telephone me at:

Thank you for your assistance with this important matter.

Respectfully,

Brad A. Armstrong
